### Faculty Disclosures/Conflict of Interest Policy

In accordance with ACCME requirements, the University of New Mexico Health Sciences Center, School of Medicine, has a conflict of interest policy that requires faculty to disclose relevant financial relationships related to the content of their presentations/materials. Any potential conflicts are resolved so that presentations are evidence-based and scientifically balanced. The relationships were reviewed by UNM CME and conflicts of interest were resolved prior to the activity.

**Anthony L. Rostain, MD, MA**, has a financial interest/relationship or affiliation in the form of: Consultant for Ortho-McNeil-Janssen Pharmaceuticals, Inc. and Shire. Advisory Board for Ortho-McNeil-Janssen Pharmaceuticals, Inc. and Shire. Other Financial or Material Support from Routledge, Taylor & Francis Group in the form of Royalties.

### CME Reviewer:

**David A. Graeber, MD**, currently has no financial interests/relationships or affiliations in relation to this activity.

### Content Director:

**Regina Janesko, MS**, currently has no financial interests/relationships or affiliations in relation to this activity.

### Disclosure of Unlabeled Use

The faculty of this educational activity may include discussions of products or devices that are not currently labeled for use by the FDA. Faculty members have been advised to disclose to the audience any reference to an unlabeled or investigational use.

No endorsement of unapproved products or uses is made or implied by coverage of these products or uses in our reports. No responsibility is taken for errors or omissions in reports.

Please refer to the official prescribing information for each product for discussion of approved indications, contraindications and warnings.

## Individualizing Diagnosis and Treatment in Children and Adolescents With ADHD

Participate in the CME/CNE-certified multimedia activity featured in this podcast.  
Go online now at:

[www.peerviewpress.com/g2/p39](http://www.peerviewpress.com/g2/p39)

### Target Audience

This activity has been designed to meet the educational needs of psychiatrists, pediatric psychiatric nurses, and other clinicians involved in treatment of children and adolescents with ADHD.

### Activity Description

In this activity, an expert in ADHD discusses methods to screen for and diagnose ADHD, as well as comorbid behavioral and psychiatric disorders, in children and adolescents. Individualizing treatment and applying management strategies that encourage adherence to therapy and help patients develop organizational and coping skills are also explored.

### Educational Objectives

**Upon completion of this activity, participants will be able to:**

- Recognize the symptoms of pediatric and adolescent ADHD
- Screen for and diagnose ADHD and comorbid behavioral and psychiatric disorders in children and adolescents
- Select treatment for children and adolescents with ADHD based on emerging data and individual patient profiles
- Apply patient individualized management strategies, including cognitive behavioral therapy, that encourage adherence to ADHD treatment

### Accreditation and Credit Designation Statements

#### Physicians

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of New Mexico Health Sciences Center, School of Medicine and PVI, PeerView Institute for Medical Education. The University of New Mexico Health Sciences Center, School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of New Mexico Health Sciences Center, School of Medicine designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

#### Nurses

 IAHB is an approved provider of continuing nursing education by the Utah Nurses Association, an accredited Approver by the American Nurses Credentialing Center's Commission on Accreditation. (UNA = 1.0 CEH's. Provider Code P09-03).

### Hardware/Software Requirements

PeerView Press requires minimum browser versions of: 6.x from Microsoft and Netscape; 2.x from Mozilla Firefox; or 3.x from Safari. Certain activities may require additional software to view. That software may be: Adobe Reader®, and Adobe® Flash® Player.

### Privacy Policy

PeerView Press shares your concerns about maintaining the privacy of personal information collected on the Internet. PeerView Press ensures that confidentiality of data relating to individual visitors to a medical/health web site, including their identity, is respected by this web site. The web site owners undertake to honor or exceed the legal requirements of medical/health information privacy that apply in the country and state where the web site and mirror sites are located.

#### Privacy Policy Changes:

Minor changes to our privacy policy may occur. If privacy policies change in a way that significantly affects the way we handle personal information, we will not use the information we have previously collected without obtaining consent. We will post all privacy policy changes on our web site in a timely manner.

#### Collection of Personal Information from Site Users:

Visitors to PeerView Press can access and browse the site, without disclosing any personally identifiable information. PeerView Press does track some information provided by your browser, such as the time and date of access, the web site you came from, the type of browser used, and other information that does not personally identify you. Visitors registering for services such as email updates, or completing program evaluation forms are requested to provide personal information, such as name, contact information, and medical specialty. We clearly label which information is required for registration, and which information is optional, on our registration forms. PeerView Press will not collect personally identifiable information without consent and will not share this data with any external partners.
